

Læsning på X-skole

3 LÆSEHACKS TIL JER FORÆLDRE:

1. *Tag udgangspunkt i dit barns interesser, vælg bøger der handler om det samme*
2. *Skab læsevaner og læseglæde: læs på samme tidspunkt hver dag, medbring snacks og læs sammen*
3. *Læs højt og snak om det læste*

A woman with long brown hair, wearing a teal t-shirt and dark pants, is sitting in a yellow beanbag chair reading a blue book. To her left is a wooden bookshelf with three shelves. The top shelf has a row of colorful books and a potted plant with green leaves in an orange pot. The middle shelf has a stack of three books and a small brown squirrel-like animal sitting and reading a book. The bottom shelf has a stack of three books. Above the bookshelf, a string of yellow round lights hangs against a dark blue background. The overall scene is cozy and inviting.
